HAPPY RETIREMENT

Dr Roger Fearnley has made the decision to retire from general practice at the end of December 2019.

Dr Fearnley became a partner at Parkhill Medical Practice in 1992 and has helped to steer the practice through many changes and into its current merged position with Pembroke Medical Group.

Dr Fearnley is looking forward to some rest and relaxation and having some time to spend with his family. We are sure that you will join us in wishing him the very best, he will be missed by us all.

Whilst we understand that a lot of Dr Fearnley's patients will want to say goodbye to him, we would ask that normal appointments are not booked for this purpose.

Instead, Dr Fearnley will be available on the morning of Tuesday 31st December 2019 between 10.30am and 1pm at Parkhill Surgery for anyone wishing to join us for refreshments and to bid him farewell in person.
