COMPLAINING ON BEHALF OF SOMEONE ELSE

Please note that the Pembroke Medical Group keeps strictly to the rules of medical confidentiality. If you are complaining on behalf of someone else, we need to know that you have their permission to do so. A letter signed by the person concerned will be required, unless they are incapable of providing this due to illness or disability.

COMPLAINING TO OTHER AUTHORITIES

The management team hope that if you have a problem with the service you have received, that you will use the Practice Complaints Procedure.

However, if you feel you cannot raise your complaint with us you can contact the local integrated care board (ICB), NHS Devon, for advice and signposting.

In all cases NHS Devon will recommend a complainant raises their concerns or complaint directly with the healthcare provider: this is the organisation where the patient received the NHS service, for example a GP surgery or dental surgery.

NHS Devon will support patients and their representative with any concerns or complaints regarding primary care services in Devon, however, unless directly concerning the commissioning of the service will recommend any complaints are handled with the provider directly.
